Vargov Design

Model: LC0411

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements

Element size: H300mm, D60mm

Material: glass

Light element: G4 diode 2-3W, 3000-4000K(choose), 12-220V(choose)

Dimming: yes(choose)

3D models

Model: LC0410

Brand: Bachelieri
Designer: Anton Vargov

The size of the glass element: H550, D40mm (size can be: D30/40/50/60mm)

The size of the compositions: D1300-1500mm

Material: crystal, glass

Light element (end glow): G4 diode 2-3W(choose), 3000-4000K(choose), 12-220V(choose)

Dimming: yes(choose)

3D models

Model: LC0409

Brand: Bachelieri
Designer: Anton Vargov

Composition size: D1000mm
Number of elements: 400pcs.
The size and weight of the cargo: 1 kub., 100kg.
Material: metal
Light element: mini diode 0,1W, 3000K, 3V
Dimming: yes(choose)
Warranty: applies only to the original product
Variation of landscape light lamp is possible

3D models

Model: LC0408

Brand: Bachelieri
Designer: Anton Vargov

The cost depends on the overall sizes of the desired composition and the number of elements used
Element one size: D145, H270mm (a whole suspension consists of two elements size D145, H130mm)
Material: glass, ceramics
Light element: G4 diode 2-3W, 3000-4000K(choose), 12-220V(choose)

3D models

Model: LC0407

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Material: ceramics, glass
Light element (end glow): G4 diode 1W, 3000-4000K(choose), 12V

3D models

Model: LC0406

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Material: glass (model with new structural glass tubes, height 350mm), metal
Light element: G4 diode 2W, 3000-4000K(choose), 12V(choose)

3D models

Model: LC0405

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
The size of the element in full assembly: D120mm, H350mm (a composite element of three parts 55x65mm, H350mm)
Material: ceramics

3D models

Model: LC0404

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
Material: glass
Light element: G4 diode 3W, 3000-4000K(choose), 12-220V(choose)
Dimming: yes(choose)

3D models

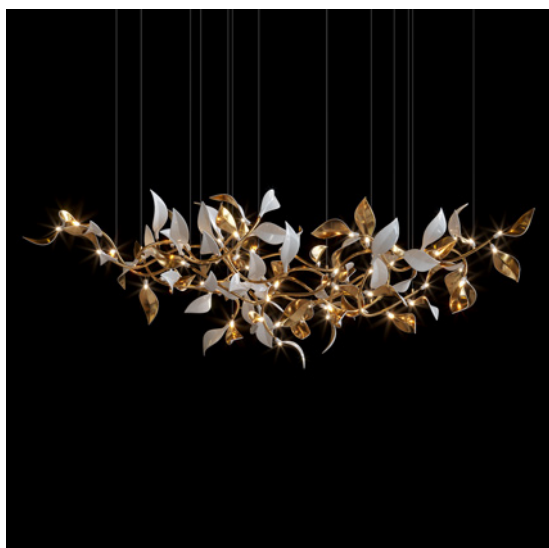

Model: LC0403

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The size of the element in full assembly: L100, W100, H400mm
The size of the glass element: L100, W100, H330mm
Material: glass
Light element: G4 diode 2W, 3000-4000K(choose), 12-220V(choose)

3D models

Model: LC0402

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Size element: D80mm, H200mm
Material: ceramics
Light element (end glow): G4 diode 3W, 3000-4000K(choose), 12V

3D models

Model: LC0401

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
Size can be: D30/40/50/60mm
Length can be: H200/300/400/500/600/700/800/1000mm
Color can do eletroplating: Amber, Smoke, Clear
Material: glass
Light element (end glow): G4 LED

3D models

Model: LC0400

Brand: Bachelieri
Designer: Anton Vargov

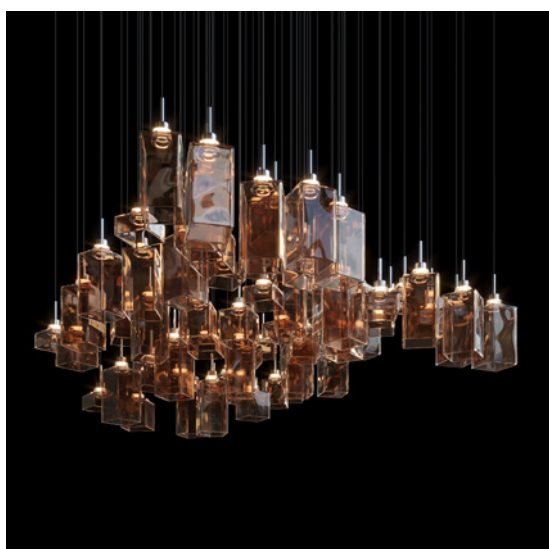

Custom manufacturing of compositions of any size from any quantity of elements
The size of the element in full assembly: L100, W100, H400mm
The size of the glass element: L100, W100, H330mm
Material: glass
Light element: G4 diode 2W, 3000-4000K(choose), 12-220V(choose)

Model: LC0399

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Size element: D140mm, H660mm (consists of two elements: D140mm, H330mm)

Model: LC0398

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
Material: glass
Light element: G4 diode 3W, 3000-4000K(choose), 12-220V(choose)
Dimming: yes(choose)

Model: LC0397

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Size element: 260mm
Material: glass
Light element (end glow): mini diode 0,1W, 3000K, 3V

3D models

Model: LC0396

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
Element size large: D300mm
Material: glass
Light element (end glow): mini diode 0,1W, 3000K, 3V
Color: transparent, transparent with air bubbles, amber, smoke, frosted glossy, frosted matt, chrome, mirror gold, silver, brass, matte gold, metal

3D models

Model: LC0395

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
Element size large: D300mm
Element size small: D100mm (decorative element without diode)
Material: glass
Light element (end glow): mini diode 0,1W, 3000K, 3V

3D models

Model: LC0394

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Size element: D110mm, H160mm
Material: ceramics
Light element (end glow): G4 diode 3W, 3000-4000K(choose), 12

3D models

Model: LC0393

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Size element: D220mm, H150mm
Material: ceramics
Light element (end glow): G4 diode 3W, 3000-4000K(choose), 12V

3D models

Model: LC0392

Brand: Bachelieri
Designer: Anton Vargov

Custom manufacturing of compositions of any size from any quantity of elements
The cost depends on the overall sizes of the desired composition and the number of elements used
Size element: D200mm, H170mm
Material: ceramics
Light element (end glow): G4 diode 3W, 3000-4000K(choose), 12V

3D models

Model: LC0391
